About us

We provide our services free to anyone in Scotland diagnosed with mesothelioma, regardless of where you live.

We support patients and our NHS professionals who care for them.

If you have recently been diagnosed with mesothelioma you will no doubt have many questions and concerns. You may be worried about the condition you are suffering from and what implications this may have on your health and or finances. We exist to provide support to you and your family. We are here to help.

Home Visiting Service

The charity would normally provide home visits to those with mesothelioma, however due to Covid-19 this has had to be postponed. This service will be resumed at the earliest opportunity.

Our service

Benefits and Legal Advice

We offer expert advice on what benefits you may qualify

for and whether you are entitled to compensation from the government. We also provide specialist guidance on your right to pursue a civil/personal injury claim.

Benefit Application Forms

Please do not worry about having to complete benefit application forms as an experienced benefits adviser at the charity will do this for you.

Support groups throughout Scotland

We host a network of support groups across Scotland, from Inverness to the Scottish Borders, providing a friendly place for you and or your family to meet others for mutual support.
